WHAT PEOPLE HAVE SAID

"We were very excited to take part in the Sherlock escape room and it did not disappoint! Entering through an opticians was a great touch. The rooms were challenging but not to the point that we weren't enjoying it, it felt like real detective work! The Mind Palace at the end was a lovely space to wind down and enjoy some extra puzzles. Would definitely recommend to anyone that has a love of Sherlock both old and new."

Laura P June 2021

The image shows a tablet displaying a TripAdvisor review for "Sherlock: The Official Live Game". The review is from Ruth B, who gave it 4.6 stars. She writes: "Really excellent escape room experience, tough puzzles but solvable, good variety of skills required. Excellent quality decor and "props". Welcome routine very good, could have used a few more minutes in the intro room as it was full of amazing Sherlock stuff! Would highly recommend. Very pleasant and helpful staff, well organized and professional." The review was written on 30 May 2021. Below the review, there is another review from LeDoy, who gave it 4.5 stars and wrote: "Amazing rooms, props and puzzles. Excellent customer service from Stamford! Followed by fun and varying levels of puzzles, most definitely cracked by our intrepid sleuths. With an array of special guests and the mysterious Moriarty (dead or alive?) - the game was most definitely now. Thank you Molly for the well needed drinks, we cracked the code Sherlock and thank you Mycroft, we appreciated the collection of hot snacks post completion. Time for another adventure" The review was written on 29 May 2021.
