

A black and white photograph of the main cast of the TV series 'Sherlock' in a study. Sherlock Holmes (Benedict Cumberbatch) and John Watson (Jude Law) are in the foreground, looking intensely at the camera. Behind them are the Watsons: Mary (Lacey Chabert), Mycroft (Mark Gatiss), and Eurus (Sophia Brown). To the right are Lestrade (Yusuf Kuru) and a woman (Anita Harris). The room is filled with bookshelves, a skull on a shelf, and a lamp.

WHAT PEOPLE HAVE SAID

Amazing rooms, props and puzzles. Excellent customer service from Stamford! Followed by fun and varying levels of puzzles, most definitely cracked by our intrepid sleuths. With an array of special guests and the mysterious Moriarty (dead or alive?) - the game was most definitely now.

Thank you Molly for the well needed drinks, we cracked the code Sherlock and thank you Mycroft, we appreciated the collection of hot snacks post completion.

Time for another adventure

I don't want to give anything away as the experience really needs to be taken in by your good selves first hand. But boy is it worth it, so cleverly executed from start to finish, with lots to do, all minds that embark on this journey will be well exercised. A truly great experience that is hard to explain how good it is to others, all I urge is that you go and see for yourselves!

From start to finish this was a great experience. It captures the spirit of the site and is exciting and has great puzzles, all with a good sense of humour. Even getting there in the first place is fun.
