"My team members and I had a fantastic afternoon cracking codes and taking part in fun activities with the help of Sherlock and co! The immersive experience started at the front door of 'Doyle's Opticians' and continued until we left! Stamford and her team were entertaining and welcoming and ensured that we were fully briefed. Would highly recommend applying to be an Agent, you won't be disappointed! 😊"

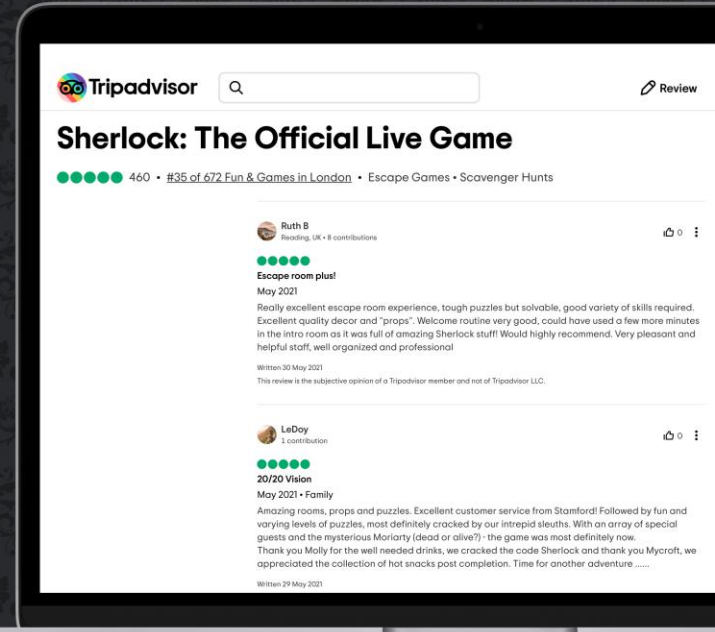

Tracie Sutherland, October 2023, Google Review

Pratyasha Kalita, October 2023, Google Review

"I organized a team day for my colleagues at work - and we had a great time here! We met first in the speakeasy bar for some warm up drinks and then split into two groups/rooms for the challenge. Loved the digital photos we received. All of the staff made our experience one to remember. I would recommend this for other work groups, as well as friends and families."
