Groups and Corporate Events

Port Phillip Ferries offer a range of options when it comes to creating a memorable event. Whether it's a corporate gathering, team-building retreat, or a special celebration, both the Melbourne Ferry Terminal and our two purpose-built, 400-seat ferries provide unique venues that set the tone for memorable moments.

Nestled against the backdrop of the iconic Bolte Bridge, the Melbourne Ferry Terminal offers a one-of-a-kind setting that combines a modern venue with the natural beauty of Melbourne's waterfront that glistens at anytime of the day.

Being able to utilize a state-of-the-art 35m catamaran for your event can take the experience to new levels of excellence. We provide onsite catering choices customized to your preferences, ranging from generous platters ideal for stand-up cocktail receptions to individual mini platters for easy serving. Imagine your attendees relishing gourmet delicacies amidst Melbourne's stunning skyline, with the gentle movement of the ferry enhancing the enchantment of the occasion.

At the Melbourne Ferry Terminal, we understand that every event is unique, and our dedicated team is committed to bringing your vision to life.
