Begin your cruise with a boarding glass of Wycliff champagne: \$36++ per bottle

For all bar plans, there is a \$50.00 per bartender charge for a one to two hour charter and an additional \$20.00 per hour for each bartender on charters longer than two hours.

Tab Bars: An advance deposit is required for all tab bars: \$15 per person for 1-2 hours, \$18 per person for 3 hours, and \$20 per person for 4+ hours. Any balance due must be paid on the day of your event.

A taxable 23% service charge for all Open and Tab Bars will be added to your bill. Wisconsin requires a 5.5% sales tax be added to all charges. By State Statute, alcoholic beverages can only be bought and sold by Lake Geneva Cruise Line on all of our licensed vessels.

We do not serve "Shots" aboard any of our boats.

When you select your bar level, those items will be the only items offered at the bar unless customized with your charter representative.

Please note: We do our best to have the listed selections but occasionally substitutions are made.
