

Sawgrass Recreation Park COVID Response

Safety Standards:

1. The Park will be limiting the number of guests that are allowed to be admitted within each hour of arrival throughout the day. Reservations will be required for both general admission airboat adventures and private airboat adventures and walk ups will not be excepted. Customers are welcome to call into our gift shop 954-389-0202 or email us at Sawgrass@EvergladesTours.com and make a reservation using only a first and last name and contact phone number and are welcome to pay upon arrival if they wish.
2. Park will have a dedicated COVID response staff member each day whose sole directive will be ensuring the cleanliness of the facility and safety of the customers and staff.
3. Social distancing will be encouraged for all areas of the park.
4. Masks will be recommended for use in indoor and outdoor spaces, especially where distancing cannot be achieved.
5. Customer facing staff members will wear masks for the safety of our customers.
6. Additional hand sanitizer stations have been placed around the facility.
7. All high touch surfaces will be cleaned with great frequency throughout the day. Each individual department in the park has a unique cleaning schedule that will be strictly adhered to.
8. All children's life jackets will be sanitized in between each use.
9. Interaction with our adopted and rescued reptiles will be very limited for both the safety of the animals and our guests.
10. The Park will be adhering to all updated cleanliness and safety standards put forth by the CDC as well as the Florida Department of Health.
