- Find the main expressway, Baldorioty de Castro (Interstate PR 3) heading East leaving San Juan towards the International Airport.
- Passing the airport on your left continue on PR 3 for approximately 3.5 miles, where you will see highway signs offering two options: a) Proceed to PR 3 heading towards Carolina or b) take the exit for PR 66. Both options will take you to our launch site in Fajardo. The PR 66 route (toll: \$1.50) is quicker with less traffic lights and eventually leads back to PR 3.
- If you stayed on PR 3 continue east for approximately 18 miles. If you took PR 66, you will pass the Belz Shopping Outlet mall on your right as you approach the intersection, turning right at the traffic light, re-joining PR 3 and going east for approximately 13 miles.
- Approaching Fajardo look for a large shopping mall (Plaza Fajardo) on your right (anchored by Walmart and Econo supermarket) and McDonald's on your left. At the light go **left** onto Valero Ave (194) proceeding 1 mile to the intersection with El Conquistador Ave (with a small shopping mall on your left) and take a **left** at the light.
- Continue on Conquistador Ave for approx, 1/4 mile to the first traffic light, turn right at the Pharmacy onto Rafael Bermudez Ave. Go all the way to the end of this road (about 1 mile) and turn left on to Road # 987.
- Drive 1/2 mile and turn right (see a store named "Skipper Shop to your right) and then quickly go left (liquor store and bakery at the corner)

- Pass Villa Marina's main entrance and you will see the entrance for CATAMARAN GETAWAY (white and Orange catamaran) about 1/8th of a mile on your left – look for the Catamaran Getaway sign.
