EDUCATION PROGRAMS

The **Historic Stranahan House Museum** is the oldest and most historically significant home in Broward County. Stranahan House provides interactive and hands-on educational programs that fulfill the curriculum requirements for Broward County school children. With a focus on the 4th grade history requirement, Stranahan House programs can be tailored to meet the needs of students in Kindergarten through 12th grade.

The **mission** of the Historic Stranahan House Museum is to tell the story of the birth of our community through the lives of two extraordinary people and the homestead they created and to serve as an enduring legacy for historic preservation.

The **goals** of the Historic Stranahan House Museum Virtual Education Program are as follows:

- ✓ **Support** educators in fulfilling curriculum requirements for students of all grade levels.
- ✓ **Introduce** students to historical figures and focusing on themes which include civics, social studies, environmental concerns, Native American cultures, among others.
- ✓ **Adapt** to new teaching techniques including virtual learning and online field trips.

Teachers and students can connect with the Historic Stranahan House Museum in a variety of ways including online and in-person. Contact us today to coordinate the best opportunity to meet your students needs.

Topics explored include, but are not limited to:

Local, State, and National History
Horticulture/Agriculture
Native American History and Culture
