WAWEL CASTLE

The Royal Castle on top of limestone Wawel Hill located on the edge of the Old Town is one of the most important symbols of Krakow and Poland. When Krakow was the capital of Poland, Wawel was the official seat of our kings. The structure is a mixture of Medieval, Romanesque, Renaissance and Baroque styles. Visit this beautiful place!

KL PLASZOW AND FORMER GHETTO

Before the Second World War, the Jewish community made up 25% of the population of Krakow. According to the 1939 census, conducted by the occupants, it had consisted of 64,000 people. After the war, the number of Jews declined to about 1000. See the former Ghetto and Plaszow Concentration Camp.

TYSKIE BREWERY

The Tyskie Brewery in the town of Tychy is a very special place on the Polish brewing industry map. The golden beverage has been brewed in the Duke's Brewery in Tychy continuously for four centuries.

WOODEN ARCHITECTURE ROUTE

A trip along the route of wooden architecture is an opportunity to go back in time to a place where the landscape, culture and everyday life of the bygone era are still present. To this day, the culture of Western Cracovians awakens the interest and admiration of tourists from around the world.
