2024 SEASON JOB POSTING - TRIP LEADERS, BOTH LOCATIONS

DESCRIPTION

You will direct and care for 4 to 8 guests in 15' - 16' rafts with a stern-mount oar rig, on class 1/2 and 2/3+ rivers while providing engaging and witty dialogue, and being a role model for family-friendly, safe operation.

DUTIES

Trip leaders supervise and assist with pre-trip and post-trip tasks, navigate the river, supervise junior guides, and manage rescues when required. Additional duties: Pre and post-trip setup, safety boating, shuttles and other operation-related tasks.

COMPANY INFORMATION

Wild Blue Yonder Rafting has been operating trips on class 2 to class 4+ rivers in Grande Cache, Alberta since 1998, and in Revelstoke since 2016. We belong to the British Columbia River Outfitters Association and the Professional River Outfitters Association of Alberta. We have a highly-structured, task-oriented environment, with a primary focus on systems and organization because attention to detail and organization is key in minimizing risk. Our guiding principles are risk management, safe operation and producing authentic, extraordinary guest experiences.

You'll join an international staff of guides, office staff and managers. Staff housing may be available. Complete job details are provided in Zoom interviews.

QUALIFICATIONS

Minimum of 2 seasons (or 72 days) on class 3+ rivers. We require the following certification, and all guides must demonstrate 35 industry-standard competencies.

- BCROA, PROAOA or IRF Guide Certificate*
- Swiftwater Rescue Level II*
- Wilderness First Aid
- A willingness to work hard and be professional.
- A positive, outgoing personality.

***We can provide the following certifications:**

- BCROA or PROAOA Trip Leader
- Swiftwater Rescue Technician

DATES: May 27 to September 6, 2024 (subject to change).

HOW TO APPLY

Apply via email - no phone calls. Please send a cover letter and resume that details your relevant work experience to: yoraftguide@gmail.com, Subject: Raft Guide Employment, Attn: Johannes Zwart

The posting closes when suitable applicants are found.
