

# AQUARIUM BY SUNRISE

As the sun rises over the Great Barrier Reef, coral polyps emerge and tropical fish swim out from their night time lairs.

Aquarium by Sunrise is a rare opportunity to see the region's wildlife as you've never seen it before, as aquatic and forest creatures stir to life in the early morning sun.

Your wildlife educator will provide an exclusive tour before the aquarium opens. You will witness and learn about life on the reef and rainforest, as seen within the Cairns Aquarium, at first light of day.

**Tuesday, Wednesday & Friday 8:15am – 10:30am**

ADULTS (15+ years) \$79 CHILD (3-14 years) \$49

• Minimum of four guests required for tour to operate • 24 hours notice required. Subject to availability
