ARTISTIC DIRECTOR NOTES

Bob Cunningham
Artistic Director
Director

BOB CUNNINGHAM
DIRECTOR/ARTISTIC DIRECTOR

Welcome to Miami! Where you too can enjoy the benefit of 1/8th time sharing. No… don't worry, I'm not gonna try and sell you any Florida swamp land. There was just something about Miami that fit so well with the decade of the 1980's. Maybe it was the pastel suits of Miami Vice… or neon hotel signs on Miami beach… it seemed an ideal setting for tonight's story which pays musical tribute to the decade when women were finally given their due at the forefront of popular music. We've brought together some of that era's biggest female pop hits, with some of the very best homegrown singers around today, for an unforgettable peek back into the 1980's. Oh yeah… and we've got a couple goodfellas that ain't so bad neither, capiche?!

Bada Boom, Bada Bing… enjoy the Show!

COMING OCTOBER 23 TO JANUARY 8, 2022

I got my first real six string, I bought it at the five and dime… or maybe it was actually Woolco? Either way… it was in the Summer of 69' and my life would never be the same. Yep… Me and some guys from school, we had a band and we tried real hard. Let me take you back to that summer, and tell you the story of peace, love, long hair and music that would change the world. Jubilations Dinner Theatre presents the *Summer of '69.*

COMING JANUARY 15 TO MARCH 19, 2022

Schipp$ Creek

A tale as old as time… rich people lose all their money and are forced to see how the real world lives. Okay maybe not as old as time… but… as old as 2015? Jubilations Dinner theatre sets its pop music parody sights on a new TV classic. We are going up Schipp's Creek without a paddle! Whether you're a fan of the show or just a fan of great music and laughter, it's sure to be a great time when Jubilations Dinner Theatre presents… *Schipp's Creek.*
