

# TALL SHIP WINDY

SAILING ADVENTURES

## Private Charters

**Sail Windy!** Make your next gathering unique with a private cruise on a real tall ship!

Tall Ship Windy is a majestic 148-foot four-masted gaff topsail schooner. Modeled after a traditional Great Lakes trading ship, she is built of modern materials but boasts all the character and charm of the Golden Age of Sail.

### PRIVATE EVENTS

Weddings, parties, corporate functions, reunions, church outings, tour groups, team building, and more! Windy can be chartered for a maximum of 150 guests. Charter rates start at \$2400 plus tax, for up to 150 guests for one hour.

### AMENITIES

Windy boasts three spacious decks, a grand salon, pressurized “heads” (marine toilets), and a bar for your enjoyment. Plenty of deck seating is available on benches and boxes. The bar is stocked with soda, water, beer, wine, liquor, and snacks. Ask about our bar packages! We feature brands from local distilleries and wineries.

### CATERING

Caterers generally set up buffet-style in the grand salon, adjacent to the galley area, with guests free to move in and out. Seating is informal on the Windy, so “picnic-style” meals work best. All catering vendors must be approved by Windy’s management before they can be hired. A list of preferred caterers is available through our office or on our website.

No alcohol can be included with catering as Windy is a registered bar and is licensed to accept and distribute only its own alcohol. Beverage packages are available, starting at \$9.00/pp/per hour; please contact us for additional information.

### ENTERTAINMENT

With a story-teller on board, choose from programming options such as Chicago Architecture, Piracy on the Great Lakes, maritime ghost stories, and more. Live music is also available; or, bring your own band on board. There is an additional charge for entertainment.
