

## **Seasonal Tearoom Assistant**

£10/hour

Rydal Mount

Ambleside LA22 9LU

The Schoolhouse Tearoom at Rydal Mount is hiring temp staff to supplement a small but hardworking catering team from April to October. Come and work at the historic home of Romantic poet William Wordsworth!

During the summer months the house and gardens can be tremendously busy. Once the schoolhouse of Wordsworth's daughter, Dora, the modest but popular tearoom sits at the crossroads of the coffin route between Ambleside and Grasmere, and the start of the Fairfield Horseshoe.

Our tearoom staff are responsible for handling ticket sales for the house and gardens, taking orders, serving hot and cold drinks, sweet treats and toasties, as well as keeping the tearoom and the outdoor seating area clean and tidy. Ideal applicants will be hands-on, hardworking, and able to offer exemplary customer service.

Hours of work can fit around other commitments; both full-time and part-time roles are available.

No formal qualifications or experience are required.
