Volunteer with Llangollen Railway Trust - Go Attraction of The Year 2023

Explore exciting volunteer opportunities with the Llangollen Railway Trust, recently honoured as North Wales Tourism Awards 2023 Go Attraction of The Year. We are seeking enthusiastic individuals to join our small yet dedicated Signal and Telecommunications (S&T) team, contributing to the maintenance and enhancement of our heritage railway. Operating a standard gauge line from Llangollen to Corwen through the stunning Dee Valley, an Area of Outstanding Natural Beauty, this is a chance to be part of an exceptional project.

****Key Opportunities:****

- General maintenance and project work
- Infrastructure maintenance
- New project implementations
- Signal Box refurbishments
- Installation of Location Cabinets and track circuits
- Planning and installing a new signalling scheme at the recently opened Corwen station

****Desired Skills:****

- Individuals eager to learn and contribute to Signalling and Telecoms network restoration
- Experienced S&T Technicians
- Telecoms Technicians and Engineers
- Electricians

****What We Look For:****

- Enthusiastic individuals with a proactive attitude
- Team players prioritising safety and initiative
- Reliable contributors committed to our mission

To discover more about these rewarding opportunities, contact Robin Crowley, our Volunteer Coordinator, at 01978 860979 or complete our online volunteer application form [HERE](#). Make a difference in preserving and advancing our historic railway legacy. Join the Llangollen Railway Trust and be part of something extraordinary!
