

TAYLORS FALLS SCENIC BOAT TOURS

*A family owned and operated
business since 1906.*

Millions of tourists have enjoyed the scenic beauty of the world famous Dalles of the St Croix River since the early 1900's. We invite you to come enjoy the River Rock Patio and the Mary Pettis mural on the river side of our building before or after your boat ride. Our licensed boat pilot and tour guide will point out unique rock formations, and tell you about the history of the river and the authentic paddlewheel boat that you are riding on. Wildlife abounds on the river and typically you will see bald eagles, herons, turtles and the occasional deer or beaver along the shores of the St Croix River.

DAILY EXCURSIONS & SUNDOWN CRUISES

Your licensed boat pilot and tour guide will point out the unique rock formations that were left behind as the glaciers retreated thousands of years ago. Among the most outstanding formations is the huge stone cross for which the St. Croix River was named; “St. Croix” which means Holy Cross.

Other sites that can be seen from the boats include the Lion’s Head, Elephant’s Head and the highlight of the tour, The Old Man of the Dalles – the most outstanding natural rock face you’ll ever see.
