

Canoe/Kayak Base Manager

Key Skills

- Leadership: Lead 25 employees of various ages, keeping them on task, training them in all aspects of the job, and demonstrating the abilities and skills they must also have.
- Multitasking: Make and maintain a functioning schedule for the canoe base staff, juggle needs across multiple staff locations, and create and conduct training sessions for canoe staff regarding electronic systems, procedures, safety, and customer service.
- Public Relations: Address customer concerns professionally and appropriately while also recognizing when to raise something to the next level, maintain positive working relationships with multiple government agencies, and assist in group sales as needed.

Working Conditions and Requirements:

- The position is seasonal, running from April 1 to November 20
- Must be able and willing to work weekends from mid-June through mid-September
- Must be able and willing to work in other areas of the company during hip seasons
- Must be able to lift and carry substantial weight to load and unload canoes and kayaks
- Must have or be able to get the Minnesota bus license
