

Chocolate Chip Cookies Aka "Mix-In Cookies"

12 cookies

Ingredients

1/4 cup sugar

1/4 cup + 2 tablespoons light brown sugar

7 tablespoons unsalted butter, room temperature

1/2 teaspoon vanilla extract

1 egg

1 cup all-purpose flour

1/2 teaspoon baking soda

1/4 teaspoon salt

3/4 cup chocolate chip (or your favorite mix-ins)

Instructions

Preheat oven to 350 degrees. Line a baking sheet with parchment paper.

In a large bowl, using an electric mixer or by hand, cream the sugar, brown sugar and butter. Add vanilla extract and egg(s) and mix well.

In a separate medium bowl, combine dry ingredients together: flour, baking soda and salt. Then gradually add the dry ingredients to the creamed butter mixture. Mix until incorporated.

Once combined, stir in chocolate chips OR mix-in of your choice. Use a cookie scoop to place dough on prepared baking sheets. Bake for 10-12 minutes then let cool on a wire rack. Enjoy!

TBK Tip: Have fun selecting your favorite mix-ins. You can do all chocolate chip or mix it up with other options like dried cranberries, white chocolate chips, crushed pretzels, sprinkles or shredded coconut. Our favorite combo when we are in the mood for something different is white and dark chocolate chips and dried cherries. Yum!
