

### Cab Rides Policy

By signing and dating below, you acknowledge that you've read, understand and agree to comply with the following:

- There's room for one cab rider on any given day train.
- The cab ride is one way and, depending on the train selected, will last between 1 – 1.5 hours.
- Cab riders must be at least 18 years old.
- Must provide a copy of a current Driver's License or State Identification card.
- Must be physically able to ascend and descend the steep vertical steps of the locomotive without assistance.
- Must be seated at all times unless invited to move about by the engineer or conductor.
- Must be respectful of not interfering with the operating crew 's duties and focus.
- Must comply with any directives given by the operating crew.
- Must review safety rules handout prior to the cab ride.
- Must provide copy of a current Driver's License or State ID card if not licensed to drive.
- During the cab ride, must have electronics (cell phone/tablet) in Airplane mode and not expect to talk on the cell phone unless in the case of an emergency.
- Picture-taking is permitted upon determination of the crew.
- No weapons are permitted.
- No alcoholic drinks are permitted in the locomotive cab.
- Any cab rider exhibiting signs of being under the influence of drugs or alcohol, or who is displaying unusual, unsafe, or disorderly behavior, will have their cab ride canceled, with no refund or exchange.
- Although there is no bathroom in the engine cab, there are bathrooms in the passenger cars, so once the cab rider switches to the body of the train on the return, a bio break will be possible.
- Close-toed shoes only please, with heel not exceeding ½" in height.
- Dress appropriately in layers for protection from the elements. Sleeveless shirts are not permitted.
- The sounds and smells of a locomotive include, but aren't limited to, diesel fumes, sounds of compressed air being released, radio communications, bells and whistles. Ear protection in the form of spongy inserts into the ear will be provided and must be worn.

Failure to comply with any of these directives constitutes a breach in safety. Sky Railway reserves the right to cancel the cab ride, without refund or exchange, in such cases.
