**OAK ALLEY PLANTATION**

# OAK ALLEY PLANTATION

## SUMMER 2016 PHOTOGRAPHY CONTEST EBOOK

Our staff is constantly amazed and thrilled by the perspectives of the plantation that we fail to notice on a daily basis, all the more reason to cherish the gift that these photographs represent.

Congratulations to all of our winners and to all who participated in this contest. We certainly hope you can visit with us again soon and share more photographs! While the contest did not receive as many entries in the 'Professional' category as it typically does, we were thrilled by the quantity and quality of the images submitted in the 'Amateur' category.

Thank you for supporting Oak Alley Foundation through your visitation, your photo entries, and your donations.

We encourage you to visit Oak Alley often and to feel free to share your photos with us via our FaceBook page, or post them on social media with the hashtag "#OakAlley".

*"An American Portrait"*

I am professional photographer and travel writer. I live in Los Angeles and I enjoy the discoveries travel allows. I see Oak Alley as an American icon and as a metaphor for the complex history of our country.

This picture symbolizes the struggles we as a nation have come through, a combination of romance and hard realities.

## *"Fair Maiden"*

I am professional photographer living in Thibodaux Louisiana, and I enjoy travel, photography and history. This photograph captures a candid moment as the young lady awaits a response at the massive doors. I was attempting to capture a candid, non-staged moment. The photograph was taken through the stairwell as the group tour moved upstairs. I viewed it as a moment of innocence and hesitancy, my wife viewed it as a bit spooky, and my daughters saw it as a bit gloomy. I love that it open to interpretation!

## Thank You!

On behalf of Oak Alley Foundation, the caretakers of the historic grounds at Oak Alley Plantation, we thank you for your ongoing support and passion. Mrs. Josephine Stewart founded the Oak Alley Foundation in 1966, but it is your ongoing support of our organization that helps keep Oak Alley Plantation open to the public.

We work hard everyday to live up to the standards that our visitors have come to expect. It is a great deal of work, and a great deal of passion, that keeps us moving forward. We look forward to many years of living up to the moniker as *"The Grande Dame of the Great River Road."*
