

How to pack for an island trip.

NO SINGLE ITEM OVER 45 LBS.

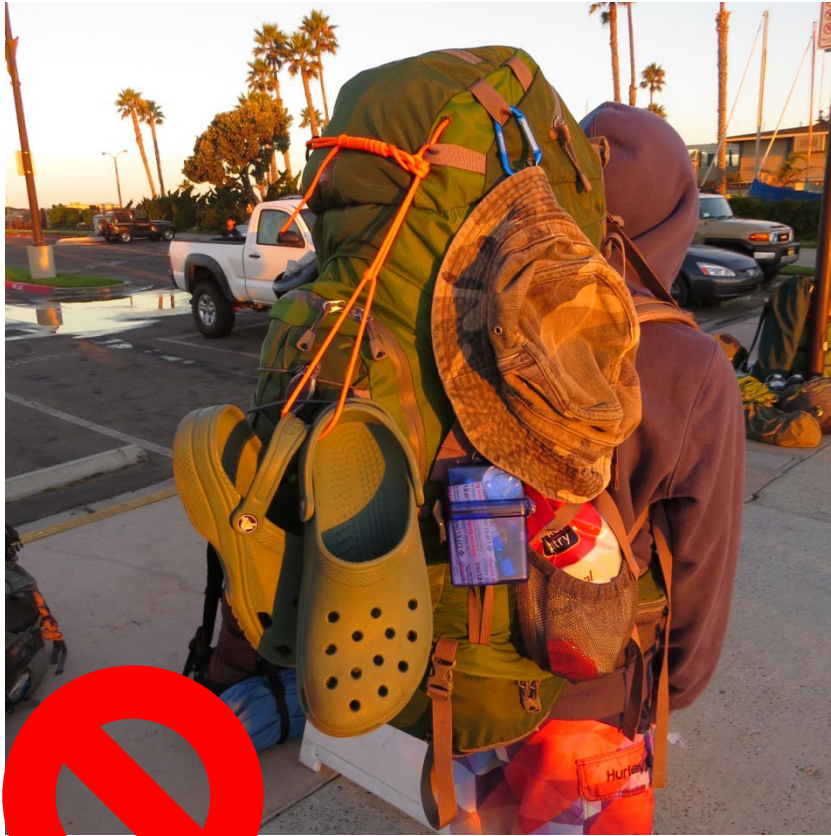

Water containers may not exceed 3 gallons and may not be inside or on your pack.

All propane, gases and flammable liquids must be kept separate from gear going below deck. Your fuel will be transported in steel boxes provided by the vessel.

All e-cigarettes and electronics with lithium batteries must be removed from your packs. Please place them in your carry-on instead.

**Store all items INSIDE your pack.
Gear with dangling items attached get caught in the
cargo hold and tear up your pack.**

**Keep your hiking poles and fishing poles
separate from your pack.**

We do not accept outboard motors, rubber rafts, windsurfers, paddle boards, or surfboards over 8 feet in length.

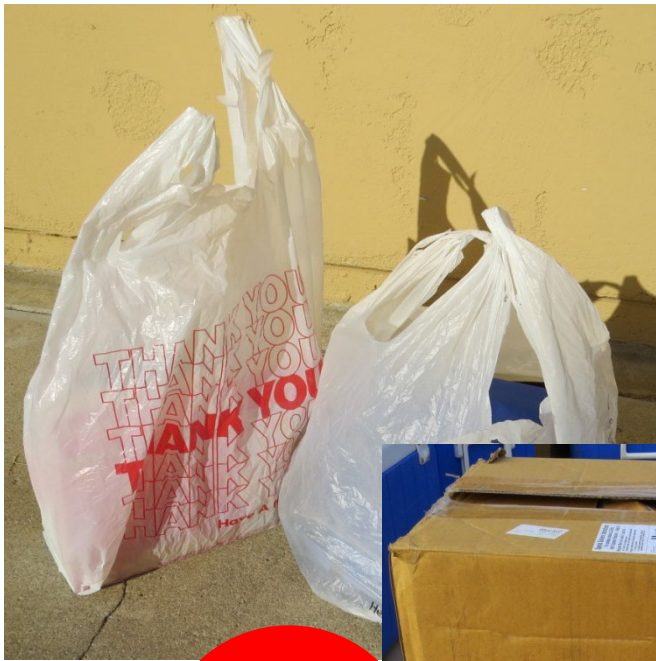

**Kayaks must have a bow line that is 6-8 feet long
with a clip on the free end.**

**NPS does not allow carts, dollies or wagons on the island.
You may bring a collapsible model for an extra charge of \$10.**

**PLEASE NOTE: Unless there is a child in your stroller,
it will not be allowed on board.**

**Do not store items in plastic bags or cardboard boxes.
NPS does not allow these products in the Park for
biosecurity reasons.**

Help protect your Park by preventing the introduction of non-native species.

Before you pack for this trip:

- **Check your tent for seeds/dirt from your last destination**
- **Shake out backpacks that have been stored for long periods of time – check for insects**
- **Rinse cobwebs/dirt out of your kayaks**

**Thank you in advance for helping facilitate
our gear loading process!**
