

HONU: IT'S NOT EASY BEING GREEN!

March 19-23, 2018

This week we will learn what it takes to be green – a Hawaiian green sea turtle (or honu), that is! Join us for an exciting week of turtle-themed activities and fun in the sun. Throughout the week we will learn all about sea turtles found in Hawaii and how to help protect them. Our daily field trips will give us opportunities to visit and explore sea turtle habitats, including a trip to snorkel with sea turtles at the end of the week!
