

MY WISH FOR THE FISH

December 31, 2018 – January 4, 2019

This week in Ocean Camp we want to begin the New Year thinking about the future of the oceans, making wishes for the fishes. Throughout the week, campers will learn about all different types of marine life – including fish – and ways they can help protect and conserve them. We will end the week with a snorkel trip to visit one of Maui’s pristine coral reefs that we wish to conserve.
