

Shilshole Bay Marina

Directions and Parking Information

Address: 7001 Seaview Ave NW, Seattle, WA 98117

There are several entrances to the marina off Seaview Ave NW. Once inside the marina, park just south of the Marina Office building, located adjacent to the “I” and “J” docks, in the center of the marina. Our vessels typically dock at the “H” dock. Park, then take a short walk past the small park (look for metal statues on display) toward the waterside, where you will see an entrance gate and a ramp leading down to the dock itself. Proceed down the dock approximately 50 ft. and you will meet our vessel, typically docked at the end of the dock.
