

WHAT ARE INTERACTIVE INTERVIEWS?

Are you looking for a fresh, innovative way to interview prospective job candidates? Are you finding it hard to get acquainted with your candidates before a formal job offer is made? Ever wish you could have a **“SNEAK PEEK”** of how each candidate truly engages and behaves when they think no one is listening or watching their every move? Well, you actually have an ally to aid in your assessment of the people you decide to bring into your organization. All In Adventures is the live, immersive, escape room partner you need to gain more in-depth, intimate understanding about your prospective candidates' during the interview process.

WHO ARE WE

We are a leader in providing an interactive and immersive escape room experience that allows our guests the chance to be real-life detectives. With 50 minutes on the clock, guests must find clues, solve puzzles, and decipher hidden codes to escape the themed room of their choice.

WHO UTILIZES INTERACTIVE INTERVIEWS

Hundreds of organizations across the U.S. from non-profits to major employers to educational institutions use escape rooms to learn the following about their candidates:

- Ability to Collaborate and/or Lead
- Ability to Work Cohesively in Teams
- Level of Professionalism
- Coping Skills

SNEAK PEEK

BENEFITS OF ASSESSING CANDIDATES THROUGH LIVE, IMMERSIVE INTERVIEWS

- **Increase your success rate of hiring good candidates through:**
 - ✓ Real-life reactions in a team building environment
 - ✓ Observation of candidates' attitude towards working in an interactive setting
 - ✓ Gaining a deeper understanding of candidates' behaviors and engagement levels
- **Reduce costs by eliminating the number of bad hires**
 - ✓ According to the US Department of Labor the typical cost of a bad hire can equal to 30% of that individual's yearly salary
 - ✓ A bad hire also results in morale and productivity issues and the cost may actually be higher than the one mentioned above
